

Keeping in Touch (written by Rose, typed by Pr. Gail)

Prayer Concern: Greg Mueller, Elgart's son and Rick's younger brother, was diagnosed just about 2 years ago with MSA (Multiple System Atrophy), which is without a cure. His condition has been slowly deteriorating during this time, and prayers for him and his family would be appreciated.

Thank you to Herbie Werner for his recycled can ministry! He took in 310 pounds, and the \$124 he got for them has been deposited into the general fund.
